King's Kids Rummage Sale

We will be having our rummage sale fundraiser May 7 & 8. We need **parents to help** in setting up and selling. A sign up sheet is posted in the entry.

If you have items to donate, please bring them to King's Kids Preschool at any time. We have a space at the north end of the church in the Fellowship Hall where you may place your donations.

Plan on shopping for some great bargains when you bring your child to school on May 7 or 8 or stay and help!

This is a King's Kids Preschool fundraiser and all the proceeds from our sale will be used for supplies for the 2008-2009 school year.

Thank you for supporting our fundraisers!

Please pay tuition owed by the last day of school. Check with Mrs. Hanson if you are unsure of your balance.

Thank You!

Great Expectations

It's time to say , "Good-bye".
Our year has come to an end.
I've made more cherished memories
And many more new friends.

I've watched your children learn and grow
And change from day to day.
I hope that all the things we've done
Have helped in some small way.

It's with happy memories
I send them out the door

With great hope and expectations
For what next year has in store.

Bike Helmets & Snacks

Just a reminder to encourage your child to wear a helmet while riding a bicycle. A helmet could prevent a serious head injury while riding a small or larger bike...they go so fast and accidents can happen. Don't forget about knee, elbow, and wrist guards for those who scooter and roller blade. Have a safe summer!

We try to serve nutritious snacks..thank you for providing the snacks for the children this year!

Just a reminder to return any library books you may still have at home!
Thank You!

Keep saving your labels for next year...you may drop them off at the church office this summer! Thanks for all your help and thanks to Heather Terry for trimming, counting and binding the labels! We will be ordering supplies for next year with our saved labels.

If you or anyone you know love children and would like to work at King's Kids Preschool Tuesday and Thursday mornings Sept.—May...talk with Mrs. Hanson or Mrs. Webb. No formal training necessary.

Wanted: Summer Home

We are looking for a summer home for Sarah and Spooky (the goldfish at school). If you are interested in fish sitting this summer, please talk to one of your teachers.

If you love to hunt for bargains, come and join us at our sale!

We still have openings in all our classes for next year. Please let your friends and neighbors know about our program. Most of our students find out about us through recommendations from current families. We thank you very much!
